BUG ID	TEST ID	EXPECTED RESULT	BUG DESCRIPTION	STEPS TO REPRODUCE	SCREENSHOT	SEVERITY	PRIORITY	STATUS
BUG_001	Tcs_lg_10	The account should be temporarily locked after the maximum number of failed login attempts, and a lockout message should be displayed.	The application does not temporarily lock the account after multiple failed login attempts.	1. Open the Login page. 2. Enter invalid credentials repeatedly. 3. Click Log In after each attempt. 4. Observe the account status.	View Screenshot	High	High	New
BUG_002	Tcs_lg_11	A lockout message including the lockout duration and recovery instructions should be displayed after the account is locked.	No account lockout message is displayed after exceeding the maximum failed login attempts.	1. Lock the account using invalid credentials. 2. Attempt to log in again. 3. Observe the message displayed.	View Screenshot	High	High	New
BUG_003	Tcs_reg_04	A validation message should be displayed when the First Name exceeds the maximum allowed length.	The First Name field accepts more than 20 characters without displaying a validation message.	1. Open the Registration page. 2. Enter more than 20 characters in the First Name field. 3. Click Register.	View Screenshot	Medium	Medium	New
BUG_004	Tcs_reg_05	A validation message should indicate that only alphabetic characters are allowed in the Last Name field.	The Last Name field accepts numeric characters without displaying a validation message.	1. Open the Registration page. 2. Enter numeric characters in the Last Name field. 3. Click Register.	View Screenshot	Medium	High	New
BUG_005	Tcs_reg_06	A validation message should be displayed when the Last Name exceeds the maximum allowed length.	The Last Name field accepts more than 20 characters without displaying a validation message.	1. Open the Registration page. 2. Enter more than 20 characters in the Last Name field. 3. Click Register.	View Screenshot	Medium	Medium	New
BUG_006	Tcs_reg_07	A validation message should be displayed when the First Name contains leading, trailing, or multiple consecutive spaces.	The First Name field accepts invalid spaces without displaying a validation message.	1. Open the Registration page. 2. Enter a First Name with invalid spaces. 3. Click Register.	View Screenshot	Low	Medium	New
BUG_007	Tcs_reg_13	The focus should move sequentially through all interactive elements when the Tab key is pressed.	The keyboard tab order is incorrect, and the focus does not follow the expected sequence.	1. Open the Registration page. 2. Press the Tab key repeatedly. 3. Observe the focus order.	View Screenshot	Medium	Medium	New
BUG_008	Tcs_ADC_09	The selected product should be added to the Wishlist successfully.	The product cannot be added to the Wishlist from the Shopping Cart page.	1. Open the Shopping Cart page. 2. Select a product. 3. Click Add to Wishlist. 4. Observe the result.	View Screenshot	Medium	Medium	New
BUG_009	Tcs_ADC_10	The selected product should be added to the Compare Products list successfully.	The product cannot be added to the Compare Products list from the Shopping Cart page.	1. Open the Shopping Cart page. 2. Select a product. 3. Click Compare Products. 4. Observe the result.	View Screenshot	Medium	Medium	New

BUG_010	Tcs_ADC_12	A validation message should be displayed when the maximum product quantity limit is exceeded.	The application does not enforce the maximum product quantity limit correctly.	1. Open the Home page. 2. Add the same product repeatedly until the maximum quantity is exceeded. 3. Observe the system response.	View Screenshot	Medium	High	New
BUG_011	Tcs_ADC_15	Shopping Cart contents should remain synchronized across all logged-in devices.	Shopping Cart data is not synchronized across devices after login.	1. Log in on Device A. 2. Add products to the Shopping Cart. 3. Log in on Device B using the same account. 4. Verify the Shopping Cart contents.	View Screenshot	Medium	Medium	New
BUG_012	Tcs_CHT_07	All applicable charges, including gift wrapping charges, should be calculated and displayed correctly in the order total.	The gift wrapping charge is not included correctly in the final order total after selecting the gift wrapping option.	1. Open the Shopping Cart page. 2. Add products to the cart. 3. Select gift wrapping. 4. Verify the order total.	View Screenshot	Medium	High	New
